CAUTION TO THE PUBLIC. After siveral years experiment to the manufacture Gin, I fortunately streemied, in the year 1845, in making a discovery in its maunfacture, by which it was deprivof its acrid and informatory properties, and yes

to the sanstive power of your RIROTRIO OIL. One My manufactory is at Schedum, Holland. After sevcase here is more striking than any other—a man originate of the first striking than any other—a man originate of the first striking than any other—a man originate of the first striking than any other or or other originates of the first striking or or other originates of the first striking or or other originates of the first striking or or other originates originates or other originates or other originates or other origina walk ersor. This induced me to try it myself, and it has relieved, almost immediately, b. th Neuralgia and Rheumanism. One of my servants inventig a had be more than the client to a more than the clie a year, has been cured in a week by this fill, and I do Juniper berry with which it is fixered; and the week not heaftline for command it to all. I wish for the cake "Schnappe" is the Griman for drink course, dramed humanity, that this Oil could be hed throughout the entire world. Yours sincerely, WM HENRY SNYDER, Brown's Hotel, received with approbation, than the liquor-majors of Fifty-sixty great cures are known to have been made. New Tork, Beaton and Philadelphia started in pursuit in Washington within two weeks past, and in Saltimore at least one hundred, besides hundreds reserved of corns, Lochacks, felons, and more tribing pains and feetly imitated, with only the abilition of a few letters, schee. In Bridgeton, M., J., in Harrisburg and Wil- to plead a technical avoidance of the law, and so caremington, and also from Gereland, Olite indeed everywhere it has been introduced, the report is wonderful,
